GENERAL INFORMATION

This vendor handbook outlines the rules and guidelines that apply to all markets operated by the Salem Saturday Markets, dba Salem Community Markets (SCM). The term “SCM” is used interchangeably to refer to all markets managed by the Salem Community Markets. The terms “vendor” and “member” are used interchangeably throughout and should be determined to mean one and the same.

The Market may allow all quality products that are legal at the local, state and federal level. The Market has the right to refuse any product that does not align with SCM values, which are local agriculture and business, excellence, innovation and community that promote a wholesome family friendly environment. The Market reserves the right to refuse membership to any applicant.

The Market also reserves the right to modify this vendor handbook to clarify issues or circumstances that may not be addressed directly. The Market does not discriminate on the basis of race, color, religion, gender, sexual orientation, national origin, age or disability.

THE BOARD OF DIRECTORS AND EMPLOYEES

The Salem Saturday Market (SSM) is a non-profit corporation formed in 1998 for the mutual benefit of its members under (501)(3)(c)(6). Salem Saturday Market is governed by a seven-member Board of Directors elected by members. Salem Saturday Market dba Salem Community Markets operates several markets in the Salem area. Currently, those markets are Salem Saturday Market, Monday Hospital Market, Thursday West Salem Farmers Market and the Holiday Market.

Elections are held in July and members in good standing (no violations on file) are eligible to run for the Board. The Executive Committee of the Board of Directors supervises all Market employees, including the Executive Director, Market Manager and other market employees.

The Board is always accessible to the membership. Please respect their rights as vendors when they are selling at the Market(s), and discuss Board issues at their convenience, or schedule time at a Board meeting.

The Board of Directors consists of member volunteers who meet to determine the policies and procedures governing the market in accordance to the Salem Saturday Market By-Laws and also the Vendor Application Guide and Vendor Handbook. The Board meeting schedule will be available upon request from Market office.

The Executive Director manages the day-to-day operations of the organization. The Market Manager is onsite each market day to supervise activities required for the daily functioning, uphold by-laws, implement and enforce rules & guidelines. The Market Manager acts as a conduit between vendors, customers, the Executive Director and Board of Directors.

The Board of Directors grants Executive Director with complete authority to interpret, implement and enforce policies as outlined in this Vendor Handbook. Members have the right to a hearing before the Board of Directors, as outlined in Appeal Process. The Executive Director has the authority to grant temporary exceptions to policies on an individual basis for cause.

SSM MEMBERSHIP

A member may be a sole proprietor, partnership, LLC or corporation. Membership may include family members within the same household, domestic partners, parent(s) and minor child(ren) and people who share a common business name. Non-profit organizations are not eligible for membership, except as approved by the board. The board will consider non-profit membership on a case-by-case basis for programs that realize a tangible educational opportunity through market membership not attainable through a standard non-profit booth space.

Each vendor membership receives one vote in elections. One individual shall vote for the business and must be an owner, member or officer of the business. It is the intent that all recognized members of the business entity are considered members of the Market, are able to participate in Market activities and must obey the Market rules and guidelines.

The Board of Directors reserves the right to reject membership to any applicant. Criteria for rejection may be:

- A. If the applicant was a member the previous year and has three or more documented violations of Market policy within the calendar year.
- B. If the applicant has demonstrated actions that could be considered detrimental to the reputation, operation or overall well-being of the Market.
- C. If the applicant misrepresents themselves or their product to the Market's customers, staff or Board of Directors.

The Board may request information from Market staff and/or membership in applying the above criteria. If the Board chooses denial of membership for any of the above criteria, a written explanation shall be provided to the applicant. The decision of the Board shall be final and binding.

TYPES OF VENDORS

Reserve Vendor - Vendors who are interested in attending on a regular basis and want to “reserve” a space, can pay an additional reserve fee and lock into a booth space for the dates they want to attend. The vendor will be guaranteed a booth space, but may not be the same each week, as it is based on availability at the time the vendor completes the process.

Drop In Vendor - Vendors who are unsure of their plans, unable to commit to regular attendance, and willing to be flexible in a booth location, then participation as a drop-in vendor is perfect! Drop-in vendors call the office the working day before the market to see what spaces are available and are assigned one at that time.

VENDOR PROCEDURES & GENERAL INFORMATION

Reserved Booth Space

Ensured commitment of reserved dates must be 80%. When applying to a market, you are committing to specific dates. Of those dates, you are ensuring that you will attend 80% of total dates reserved. You may attend on a date you didn't originally reserve and it will count toward your 80%. However, your reserved spot will not be guaranteed for added dates you did not reserve when applying.

- If you fail to meet your 80% commitment, the privilege of reserving a spot will be suspended the following season.
- You may change the dates you are able to attend throughout the season. This must be done by email or written notice to the Executive Director at least 14 days in advance to guarantee market placement. However, your reserved spot will not be guaranteed, as another vendor may have already reserved.
- **1st NO-Call and/or NO-Show, vendor may forfeit reserved space for remainder of the season.** You may still vend at the market, but your space is no longer a reserved location for you and you must call in weekly to obtain a booth space for the remainder of the season.
- Executive Director has discretion in booth placement in case of inclement weather or low attendance markets (less than 50%) to consolidate market footprint.

Criteria for Reserved Booth Space

- Preference will be given to assigned booth space based on (1) the number of weeks requested for the year, and (2) accumulated points.
- A member must reserve a minimum of 6 days to secure a reserved booth space. The member must also attend a minimum of 6 days to retain the ability to reserve the following season.
- Booth assignments for returning vendors will be based on (1) space request, (2) points and (3) date of payment. When submitting application, returning vendors request and have priority (based on points) for reserved spaces up until February 15. Thereafter, spaces will be assigned on a first come/first serve basis.
- For new vendors who are requesting reserved booth space, they will receive an assigned space based on (1) date of payment, (2) product and (3) space availability.
- Certain seasonal products, such as berries, and longer reserved times may be given preference of assigned space.
- Berry product vendors are expected to provide estimated start and finish dates, however, the Market is aware weather and growing periods may alter actual start and finish dates. Reserved dates for berry vendors will be adjusted accordingly and 80% commitment days will not be required for the start and finish of estimated dates, but will be enforced during the berry season.
- If a vendor wishes to change reserved spaces, they must make a written request to the Executive Director stating the reason(s) for the change. As of the date written request is received, options are limited to unreserved spaces.
- Onsite prepared food vendors will be limited to reserving space as designated by the Market at the beginning of each season and as it pertains to Salem Fire Department fire codes.
- The Executive Director reserves the right to assign vendors to spaces based on federal, state and county codes, safety requirements or precautions regardless of points acquired.

A vendor may sell only within their assigned spaces. Roving peddlers are not permitted. Vendors needing more space must rent an additional booth space. Canopy, trailers, display and signage requirements include:

Canopy Requirements

- Canopies or tents are required covering each space with the exception of produce and plant vendors using a double space in which case only a 10' x 10' canopy is required.
- All canopies/tents must have four grounded and weighted corners. A **minimum of 20 pounds of weight is required** to hold down and to secure each canopy leg. Weights will be inspected periodically to ensure proper weights are attached to your canopies.
- Each vendor is responsible for damages incurred due to fly-aways of their display, canopy or inventory.
- Market Manager/Director may waive canopy requirement on high wind market days (over 25 mph).

Trailer Option

- Saturday Market vendors, with approval by the Board of Directors, may market their products out of a trailer instead of a tent so long as the items outlined in the Trailer Policy are adhered to. Booth placement of trailers/vehicles will only be allowed on the perimeter of the market. Contact the market office for a copy of the complete trailer policy.

Signage and Display Requirements

- All vendors must display signage with their business name. Signage must be a minimum of 12 x 18 inches or 1.5 square feet. Vendors must present signage that is clean, clear and accurate.
- Each vendor must have available a sign or card stating their name or business name and contact information.
- All prices posted or advertised must be honored.
- Decorative or antique display tables may be left undraped. However, all other tables should be covered, and all tables must be draped on at least three sides if the area under the table is used for storage.
- Vendor must keep booth spaces clean and uncluttered.

Fire Code Requirements

- Covered spaces of 200 square feet or larger are required to provide a fire extinguisher rated 2-A:10-B:C or otherwise required by the Fire Code
- All vendors using any fire/propane operated equipment including stoves, etc., are required to use fire retardant canopies and the above required fire extinguishers. Proof in the form of a receipt from Instant Fire Protection, 3385 Portland Road NE, Salem, OR 97301, (503) 362-4511, which sells the fire retardant or other proof of the fire retardant will be required to be available upon request from the Market Manager.

Be prepared for all types of weather. Once setup, displays may not be dismantled until closing time, even though that vendor may sell out. Early breakdown is only allowed at the discretion of the Market Manager. In such case during breakdown, the utmost care must be taken to ensure the safety of our customers and fellow vendors.

Garbage

Each vendor is responsible for the following in regards to Market garbage:

- Each vendor shall provide their own waste receptacle; at least a small waste container.
- **Vendors must pack out their own garbage.**
- Keep their area free from refuse during Market hours and clean up their area at the end of each Market day.
- Any vendor placing their garbage in another vendor's or the Market's garbage will be subject to written warning.

Hawking

The intent is for the Market to have a low key environment. Rules about hawking were created to avoid conveying a carnival atmosphere and disturbing customers and vendors. The Market's definition of hawking is as follows:

Calling aloud to passersby who have not yet expressed interest in a vendor's goods or services; advertising, demonstrating, selling, sampling or attempting to sell goods and services outside assigned booth space is not allowed.

Inclement Weather

The Board of Directors adopted an inclement weather policy in September 2015 (published on website). In the case of inclement weather conditions (extreme heat, severe wind, etc), the Executive Director has discretion to make changes to market hours for the safety of market vendors, guests and products. If possible, vendors will be notified in advance of any changes by the Executive Director, or onsite at the market.

Insurance & Licensing

All vendor products must comply with state and federal regulations. All vendors must carry General Liability insurance. Please refer to Application Guide for specific details.

Internal Complaints

This is the formal procedure for vendors and others to make complaints alleging that another vendor is not complying with SCM Guidelines. SCM charges an investigative deposit for filing a complaint. There is a \$25.00 filing fee (which can be shared by a group of vendors). The fee is returned if the claim is substantiated.

Complaint Procedure

Written complaints must be submitted to the Market Manager before the end of the market day the alleged violation is observed. The complaint will then be given to the Executive Director. The complaint must clearly identify the alleged violator, either through vendor name, business name or booth number on the day of the violation, plus provide the Market with written evidence as to the nature of the alleged violation.

The Executive Director will convey the nature of the complaint to the alleged violator within 7 days in person, by phone or by mail. The alleged violator must respond in writing within three days of receiving the complaint to admit or deny the alleged violation with appropriate evidence. Failure to respond to a complaint may result in the determination that the complaint is valid.

The Executive Director and/or Board Member(s), along with others with appropriate expertise will conduct an investigation as conditions permit. Investigations may include business visits as authorized on the vendor application. Market management will attempt to resolve most complaints without a formal Board hearing but will notify the Board of all unresolved complaints.

For situations that cannot be resolved by Market management, an appropriate hearing may be held. If a hearing is held the accused vendor shall have the right to the following:

1. The right to a closed hearing, if requested
2. The right to present witnesses and evidence on their behalf
3. The right to refute testimony or evidence presented against them with testimony or other evidence.

Infraction Penalties

Neither those making the rules nor those enforcing them have any desire to be punitive; the goal of all Market practices is to create the best Marketplace possible. Failure to follow the guidelines set forth by the Market will result in the following fines being imposed:

Fines for Infraction of Rules

1st Violation	Written Warning
2nd Violation	\$10.00 to \$100.00
3rd Violation	Up to \$100.00
4th Violation	Suspension at all SSM managed markets

- Fines must be paid before you vend at any of the SSM managed markets
- Violations may be cumulative regardless of market location
- Multiple violations in one day may be cumulative
- Market Director has discretion in applying fines up to and including suspension
- SSM reserves right to enforce higher level of discipline

Should any infraction be deemed a health or safety risk to the public in general or to any other vendor or Market employee(s), any or all of the steps listed above may accelerate the process.

Infraction Appeal Process

Any infraction may be appealed to the Board of Directors, to be handled at the next regularly scheduled Board Meeting. Should no meeting be scheduled within a two week period directly following the written receipt of such an appeal, a special Board Meeting will be called to order.

The vendor who is the subject of the disciplinary action shall have the opportunity to request that the Board reconsider the decision and sanctions. The Board will only review a written appeal. The request must be in writing, stating the reasons for which the Board should reconsider and what proposed sanctions should be invoked.

The Board shall review the appeal for consideration and respond to the vendor within two weeks of receiving the written request. During the appeal period the sanctions shall be fully implemented until written appeal for reconsideration is acted upon and the sanctions revised by the Board of Directors. The written request for a decision must be received by the Executive Director within 5 days of vendor notification of the decision. The decision of the Board of Directors on any appeal shall be final and binding.

Sharing Booth Space

Vendors may share a space with another member. However, each must obtain a separate membership for the market and products be accepted by the Jury Committee. If two members sharing space, there must be a representative that is knowledgeable about all products. There can be a maximum of two (2) vendors/members per booth. Each vendor who participates in a shared booth will receive a point for each Market Day they attended.

Exception: Hot or processed food vendor providing single product (i.e. brewed coffee) that accompanies their main product sales (i.e. pastries). Products will ONLY be allowed as a complimentary item and must be made/prepared in a certified kitchen. Product sales of complimentary products (i.e. coffee beans) will not be allowed unless both companies complete the process and become market members sharing a booth space.

Vendor Inspections

To assure that all products sold at the Market are vendor produced as required in the guidelines, an inspection of the vendor's booth and/or facilities may occur at any given time.

For onsite facility inspection, the Inspector(s) will note production capabilities of the facilities visited and if a discrepancy is apparent, the Executive Director may recommend to the Board of Directors that the vendor be denied access to the Market. The Executive Director's decision may be appealed to the Board for final resolution. The Board must respond to written appeals within 30 days of their receipt. The Board has final authority to resolve all discrepancies referred by the Executive Director or appealed by the vendor.

Vendors will be contacted 24 hours in advance of the on-site inspection. Vendors agree to allow photographs of their operation to be taken by the Inspectors. The inspector is also authorized to request receipts and/or invoices to support vendor's production claims. If the Inspector cannot verify that a vendor produces his or her own product, membership may be suspended and/or denied. All inspection results will be kept confidential.

Member Points

Point totals are used to determine standing with regard to obtaining a reserved space. Vendor points will be a factor used to determine priority, breaking a tie regarding other vendor requests.

Exception: Thursday West Salem Farmers Market participation will not accumulate points.

- One point is awarded for each market day a member vends.
- One point will be awarded for each general and annual meeting attended.
- One point will be awarded for work group or GAT and PFAT committee member per meeting attendance.
- One point will be awarded for Arts & Crafts committee member per every 5 online jury evaluations.
- Points accumulated from meetings, committees, etc. will be applied to each of the Markets the vendor attends.
- Attendance of less than six weeks will result in forfeiture of any accumulated points, regardless of payment of membership fees, for the following year.

MARKET SERVICES

Non-Profit Groups

The Market recognizes the value of and the need for public outreach by tax exempt, non-profit organizations. Therefore, the Market designates space within its area of control for use by these organizations free of charge. Non-profit organizations eligible for participation are those whose purpose and mission align with those of the Salem Community Market. Non-profit organizations with political or religious affiliation will not be allowed. These non-profit booth spaces are for dispensing information only. Merchandise cannot be sold from these areas.

- Non-profit groups are not eligible for membership, except as approved by the board. The board will consider non-profit membership on a case-by-case basis for programs that realize a tangible educational opportunity through market membership not attainable through a standard non-profit booth space.
- No items which the Market Director/Board Directors considers discriminatory or inflammatory may be displayed.
- Non-profit spaces are not available at the Monday Hospital Market.

Gift Cards

Customers may purchase gift cards through the information booth for any amount they choose. Gift cards may be redeemed at the Market Information Booth. Vendors are required to honor the Market gift cards by completing duplicate credit receipt for the amount customer is purchasing. Vendors will be reimbursed for these purchases at 100%.

Customer Service

The Information Booth will direct customers to your space on any Market day that you participate. If a customer is looking for a member who has not attended the Market on that day, the Market staff will help them contact the vendor by providing the vendor's phone number and/or email if permission had been given. Please note this permission is given by checking the appropriate boxes on the Market Application in Manage My Market.

Credit Card and EBT Sales

The Market will process EBT (Oregon Trail/Food Stamp Benefit) Cards through the Market's electronic terminal for vendors selling eligible food products. A list of products qualifying under the USDA Food Stamp Program will be available at the Information Booth. The Market requires all vendors who sell eligible food products to participate in the EBT program.

The Market also offers its vendors the opportunity to do credit/debit card transactions through the Market's merchant services at a rate of 7% to cover the Merchant Service Fees and market processing expenses.

Although no sales should take place after the close of market to keep guests safe, Credit Card/EBT transactions that are not submitted to the information booth within 5 minutes after the close of the market will not be processed.

Reimbursement checks will be issued every other week for all SCM Markets. If checks need to be replaced (i.e. lost, expired, etc), there will be a fee of \$5.00 per check imposed when reissued, unless the need for a replacement check is due to Market error.
